

## Healing After Abortion

*Thus says the LORD:*

*Cease your cries of mourning,*

*wipe the tears from your eyes.*

*The sorrow you have shown shall have its reward...*

*There is hope for your future.*

*Jeremiah 31:15-1*

Women and men who are suffering because of abortion can also receive help from any of the following::

[www.hopeafterabortion.com](http://www.hopeafterabortion.com) - Project Rachel is the Catholic Church's healing ministry to those who have been involved in abortion. It's normal to grieve a pregnancy loss, including the loss of a child by abortion. It can form a hole in one's heart, a hole so deep that sometimes it seems nothing can fill the emptiness.

[www.rachelsvineyard.org](http://www.rachelsvineyard.org) Rachel's Vineyard, healing the trauma of abortion one weekend at a time. Weekend retreats offer you a supportive, confidential and non-judgmental environment where women and men can begin the process of restoration, renewal and healing. Visit the website for a listing of retreats in our area.

[www.silentnomoreawareness.org](http://www.silentnomoreawareness.org) The Silent No More Awareness Campaign is an effort to make the public aware of the devastation abortion brings to women, men, and their families. Our hope is that the emotional and physical pain of abortion will no longer be shrouded in secrecy and silence, but rather exposed and healed. Believing that women deserve better than abortion we pray this effort will make abortion unthinkable as every culture develops ways to help women and men embrace their pre-born children.
