## WHAT A MUSTARD SEED CAN DO

Dear Parishioners and Friends,

Jesus gives us a tiny parable in today's gospel (Mk. 4:30-32). He compares the Kingdom of God to a mustard seed. Consider:

A mustard seed of prayer ... can grow a garden of serenity...  
One mustard seed smile ... can create an ocean of joy...  
One mustard seed of kindness ... can spark a fire of love...  
A mustard seed of resolve ... can build a mountain of courage...  
A tiny mustard seed of trust ... can make a heart full of faith...  
One mustard seed of hope ... can birth a world of possibility...  
One mustard seed of mercy ... can yield a generation of peace...  
A mustard seed of life ... became you...!

Peace!

### Faith of Our Fathers

John Paul and Wayne are two young men in search of their fathers. Problem is.....their fathers have been dead for 25 years. Eddie and Steven are two young men in search of their sons....whom they've never met.

In 1969, Eddie and Steven are with their squad deep in the jungle of Vietnam on a five-day mission to retrieve fallen comrades. They write letters to their wives, often mentioning their love for their sons, one, who is an infant and one yet to be born.

In 1994, John Paul and Wayne go on a five day road trip to the Vietnam Wall in Washington DC to see their fathers' names. Along the way, reading those letters, they begin to get an understanding of who their fathers were and how they died.

Trials and mishaps, both funny and sad, complicate the road trip for the boys. The horrors of war and the testing of faith manifest themselves for the young men in Vietnam. Ultimately, in parallel stories - 25 years apart - the fathers and sons are bound together forever.

## **Caritas Enlightenments**

As our parish celebrated the presence of the body and blood of Jesus Christ, the Son of God, in the Eucharist during the Solemn Feast of Corpus Christi, let us reflect upon our responsibility to ensure integration of our brothers and sisters with disabilities in the Eucharist and other liturgical celebrations. You can make a difference.

Take some time this month to read the [Pastoral Statement of U.S. Catholic Bishops on People with Disabilities](http://www.ncpd.org), which can be found at <http://www.ncpd.org>. Here we are reminded that "Jesus revealed by His actions that service to and with people in need is a privilege and an opportunity as well as a duty. When we extend our healing hands to others, we are healed ourselves."

Lord we pray that all people with disabilities, their families and care givers, will know your tender love expressed through the support of a welcoming Church community.

*Acceptance.* Despite individual differences we are all more alike than different; *we are all made in the image and likeness of God.*

# Doctor-Assisted Suicide:

## Fatally Flawed, Dangerous for Patients

### CONTACT YOUR LEGISLATORS TO OPPOSE ASSISTED SUICIDE

On Monday, March 12, the Assembly Judiciary Committee released the Aid in Dying for the Terminally Ill Act (A1504). **The bill will now be voted on by the General Assembly, possibly as early as June 21<sup>st</sup>.** The bill would allow physicians to prescribe drugs to end the lives of terminally ill individuals considered to have six months to live.

The facts are clear - in California, in Vermont and in Oregon - states that have passed assisted suicide bills - insurance companies have denied individuals expensive healthcare coverage but offered them low cost drugs to end their life.

In an era of cost control and managed care, patients with lingering illnesses may be branded as a financial liability for the insurance company, and decisions to encourage death could be driven by reducing costs.

**Please contact your state legislators TODAY and tell them that you oppose A1504/S1072.**

**For an easy way to find your legislators and voice your opposition, go to [www.njcatholic.org](http://www.njcatholic.org) and click "Take Action"**
