FOURTEENTH SUNDAY OF ORDINARY TIME/2018

**NEW FACE IN TOWN**

Dear Parishioners and Friends,

God sends the prophet Ezekiel to preach to the people of Israel. In so many words, God tells him to be prepared for the worst. They are a stiff-necked people, God says. They are "hard of face and obstinate of heart." Nice folks.

Even Jesus (in today's Gospel, Mark 6:1-6) has a rough time when he visits his hometown. His neighbors and relatives are less than welcoming and even a bit hostile. It's just Jesus, they mutter. Where'd he go and get all this wisdom? With their negativity, cynicism and amazing lack of faith, Jesus has a hard time sharing God's amazing grace and healing love.

This weekend, God (and the Bishop), send a new preacher here to us in the Land of Evesham. I am confident **Fr. Michael DeSaye**, our new associate pastor, is going to get a completely different kind of reception from the good people of St. Joan of Arc!! No stiff necks, sour faces or stubborn hearts in Marlton!

I know I speak for Fr. Jorge, our Deacons, the Sisters of St. Joseph, our entire staff and all our parishioners when I say we are thrilled and so grateful that Bishop O'Connell has honored our parish with a newly ordained priest!

**WELCOME, FR. MIKE!** May God bless you and your ministry! We look forward to working with you as together we celebrate, proclaim and share God's life-giving, life-changing love! Our prayers and best wishes are with you!

Peace!

See You at the  
Saint Joan of Arc

## Doctor-Assisted Suicide:

### Fatally Flawed, Dangerous for Patients

#### CONTACT YOUR LEGISLATORS TO OPPOSE ASSISTED SUICIDE

On Monday, March 12, the Assembly Judiciary Committee released the Aid in Dying for the Terminally Ill Act (A1504). **The bill will now be voted on by the General Assembly, possibly as early as July 5<sup>th</sup>.** The bill would allow physicians to prescribe drugs to end the lives of terminally ill individuals considered to have six months to live.

The facts are clear - in California, in Vermont and in Oregon - states that have passed assisted suicide bills - insurance companies have denied individuals expensive healthcare coverage but offered them low cost drugs to end their life.

In an era of cost control and managed care, patients with lingering illnesses may be branded as a financial liability for the insurance company, and decisions to encourage death could be driven by reducing costs.

**Please contact your state legislators TODAY and tell them that you oppose A1504/S1072.**

**For an easy way to find your legislators and voice your opposition, go to [www.njcatholic.org](http://www.njcatholic.org) and click "Take Action"**
